1. Determine the quantity you will need of each item and complete the form below.

## The Great Latin Adventure, Levels I and II

**Order 1 teacher's manual for yourself and one student book for each child you are teaching.** The teacher's manual includes a complete set of quizzes to copy in any quantity, as well as a pronunciation CD. You may copy anything else you wish from the student book for your own personal use as the teacher. For example, if you would like to work exercises yourself you may copy the worksheet blanks for yourself, or **you may prefer to buy an additional student book for yourself if you'd rather not make copies.**

### Logic I: Tools for Thinking

**Classroom or co-op teachers** You will need to order one teacher's manual and one student book for yourself, plus one student book for each child you are teaching.

**Homeschoolers** If you are homeschooling just one child, you only need to order one teacher's manual and one student book, total. If you are homeschooling more than one child, or just prefer to have your own copy of the student book, you may want to adopt the classroom/co-op order formula instead.

All Logic I buyers, note that the teacher's manual comes with a loose-leaf test packet to copy in any quantity.

2. Send this form with payment made out to Classical Legacy Press (US—check or money order; Canada, PR—money order in US funds), to **Classical Legacy Press, 10 Sampson St., Suite 310, Saddle Brook, NJ 07663**
